

# POLAR BEAR SWIM PLEDGE SHEET

**Participants Name:** \_\_\_\_\_

**Participants Phone No.:** \_\_\_\_\_

**Participants Group/Section:** \_\_\_\_\_

The "Plunge" into the waters will take place in Young Lake at Camp Barnard at 2:00pm: **For 2020 due to lack of Lifeguards, the Polar Bear Swim will NOT take place at Camp Barnard. You can take the dip anywhere else you would like and still gather pledges to support Camp Barnard and receive a badge for your efforts.**

Ways to support:

- Sponsor someone to take the plunge on January 1<sup>st</sup>.
- Sponsor someone to not swim... total pledges over \$100 allow the participant to avoid a refreshing dip in the lake if they want to... but why would they want to do that?
- Challenge others to take part... who can raise the most money to support Camp Barnard?
- Out of town on January 1<sup>st</sup>, why not make a direct donation to Camp Barnard or sponsor someone else to swim.
